OPERATING INSTRUCTIONS FOR SAFE OPERATION OF INFLATABLE:

The person or company hiring the inflatable is totally responsible for the safe operation of the inflatable and should insure the following:

- A. The inflatable has constant supervision by an adult who is of clear mind and not under the influence of alcohol or other mind altering drugs.
- B. To admit users to the inflatable in a controlled and safe manner.
To restrict the maximum number of users at any one time to the design number for the particular inflatable or if design number is not immediately available or known restrict numbers so as not to dangerously overcrowd the unit using common sense and by erring on the side of caution in this matter. (As per safety label on the inflatable unit)
- C. To restrict the maximum height of users at any one time to the design height for the particular inflatable or if design height is not immediately available or known restrict the height to the smallest wall height of the inflatable.
- D. To use at least the minimum number of operating personal or supervisory attendants
- E. That users remove their footwear
- F. That users remove sharp or dangerous objects from there person and glasses where practical.
- G. To prohibit food, drink or gum on the unit
- H. To prohibit users from hanging or climbing on containing walls
- I. To prohibit somersaults or rough play
- J. That operators and or attendants watch the activity on the inflatable constantly, and use a whistle to get the attention of users.

- K. That operators and or attendants separate larger, more boisterous users from smaller ones
- L. Do not allow anyone to bounce on the front safety step as a Child could easily bounce off the inflatable and get hurt.
The step is there to assist users in getting on or off.
- M. Ensure that nobody with any illness or history of back, neck or other joint problems etc is allowed on the inflatable as indeed is the case with any Child who is feeling unwell.
- N. Under no circumstances should ADULTS use the bouncy castle or unit.
- O. No smoking or barbeques near the inflatable.
- P. DO NOT ALLOW CHILDREN TO OPERATE THE UNIT!
- Q. Do not allow anyone to be on the unit during inflation or deflation as this is EXTREMELY DANGEROUS.
- R. Ensure that an area of 6 feet (2 metres) around the unit is completely clear.
- S. The inflatable should not be used if it becomes wet on the jumping area. If no shower cover is fitted and in the event of rain, the unit should not be used.
- T. In the event of heavy rain, it is strongly recommended that the inflatable be switched off. Any wetness, including bubbling (which is normal) can be dried with a towel.
- U. In the event of winds over 19 - 24 mph it is the responsibility of the hiree to switch off the inflatable and deflate in a safe manner.

BLOWER:

In the event that the blower stops working, please ensure all users get off the inflatable immediately. Make sure the blower tube or deflation tube has not come undone or something has not blown onto and is obstructing the blower.

In the event that it overheats, or loses power, switch the blower off at the mains, then switch it back on again 1 or 2 minutes later, it should restart. If it does not, inform us straight away.

INSURANCE:

Public Liability insurance cover is in place should Carrick Castles in any way be negligent in the setup of units or should any equipment be in any way responsible for any injuries due to faults in the equipment or during the set- up process. Carrick Castles is NOT responsible in any way for accidents resulting from use of the unit.

It is the Hiree's responsibility to ensure that their own independent public liability insurance cover is in place for persons while using the unit.

IHEREBY AGREE TO ABIDE BY THE TERMS AND CONDITIONS LISTED ABOVE AND AGREE TO HIRE THE EQUIPMENT LISTED BELOW WHICH IS SUBJECT TO THE LISTED TERMS AND CONDITIONS AS ABOVE. ALL EQUIPMENT WILL BE RETURNED IN THE SAME CONDITION AS AT THE START OF HIRE.
